

HOW TO USE: Say one of these scripts at the end of a positive table interaction. Say it once, naturally. Never pressure. Never repeat.

SCRIPT 1 — AFTER A GREAT MEAL — STANDARD CLOSE

"If you had a good time tonight, a quick Google review means everything to a small place like ours. We'd really appreciate it."

Note: Say this while handing back the card or receipt. One sentence. No pressure.

SCRIPT 2 — GUEST MENTIONS THEY LOVED IT

"I'm so glad to hear that. If you have a moment, would you mind leaving us a Google review? It helps more than you know."

Note: Use when a guest volunteers that they enjoyed the experience.

SCRIPT 3 — REGULAR OR RETURNING GUEST

"You've been coming in for a while and that means a lot to us. If you ever felt like leaving us a Google review, it would genuinely help us out."

Note: Use with regulars. Casual tone. No urgency.
